## Skittles Evening at Barcombe

We had a great evening at The Royal Oak, Barcombe. Those members and family that came had a good time playing Skittles, drinking the odd pint or two along with a finger buffet provided by the pub.

A fierce battle was fought between the 3 teams but the winning team were the 'The Young Ones' comprising Alan-G8YKV, Stella-M6ZRJ & Neil-M6WYX

### **The Indian Hospital and the Chatri during WW1**

At the end of September we had Amanda arrive to give the club a talk all about The Indian Hospital in Brighton. Although things had been checked prior it was almost a disaster as her laptop and our projector would not talk to each other. After several abortive attempts by members going home to their homes, another kind member went and got both projector and cable. During this time we had our tea and biscuits as we were getting rather exasperated.

Finally the show got on the road a little later than normal but no less enjoyable.

It was so informative.

Thank you to all that helped.

## From the Chairmum

October 2016

I would firstly like to thank everybody who has sent me congratulations on this the beginning of my first year as your Chairwoman.

I hope with your help to take the Society forward. We have a strong committee this year, which will work together for you.

We do need your input/help to do any of the outside events in the coming year. The committee will look to find some contests that are just 'a day' or 'part day', that could be operated using the A.R.R.O.W. (amateur radio room on wheels).

If you have anything of interest in the way of talks please contact Programme Secretary - Sue Davis [G6YPY@msars.org.uk](mailto:G6YPY@msars.org.uk)

You have a new QSL Manager - Rob Simpson [2E0KDT@msars.org.uk](mailto:2E0KDT@msars.org.uk) who seems to have his feet under the table.

Earlier in the magazine you will see that over the last month the club went out to Barcombe for our yearly Skittles evening. Also we had a very interesting talk about the Indian Hospital in Brighton and the Chatri in WW1.

On the **4th Nov we are having our Surplus Equipment Sale**, so if you have anything to sell please bring it along. Do not forget to come and support the club on the night. We will be having a raffle (Donations Please) also Hot and Cold food plus Tea and Coffee available.

Our next talk will be by Chris G4ZCS about Mobiles.

That's all for now.
